

## Who We Are and What We Do...

We are a family of motorcycle and power sport enthusiasts who design and manufacture Distinctive Performance Exhausts and Drive-Enhancing Products.

## Why We Do What We Do...

We exist to bring **MORE LIFE** to your riding experience.

## How We Do What We Do...

Bringing more life to your riding experience is not easy. We do it through a unique combination of....

- Personalized Distinctive **"Sound"**
  - Individual Tailored **"Style"**
  - Added On-Demand **"Power"**
- ...from passionate drivers just like you!

2018

## New Products

*It's not about what you ride...  
It's about bringing life to your ride.*

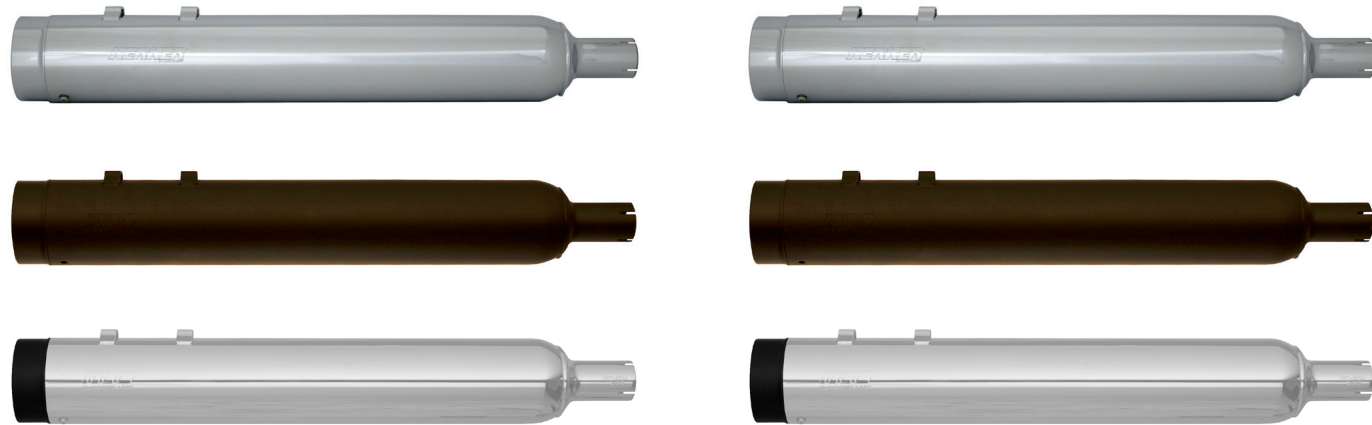

## Our Proud Heritage...

- |      |  |      |  |
|------|--|------|--|
| 1971 | SuperTrapp begins with the XDUSOR muffler (Tunable Disc Technology, Davis, Calif.) | 2011 | JayBrake brand added to SuperTrapp product portfolio   |
| 1988 | SuperTrapp acquired by Dreison International                                       | 2011 | FPS Racing brand added to SuperTrapp product portfolio |
| 1990 | Kerker brand added to SuperTrapp product portfolio                                 | 2012 | Jardine brand added to SuperTrapp product portfolio    |
| 1995 | SuperTrapp moves headquarters and operations to Cleveland, OH                      | 2017 | Continuing to make waves of sound, style, and power.   |

*Making Waves of Sound • Style • Power*
